## STUDENT BOOK REVIEW

### **Satch and Me**

By Dan Gutman

Published by Harper Collins Publishers

If you are looking for a fictional baseball fantasy book, then *Satch and Me* is the one for you.

*Satch and Me* is a book about a boy named Joe Stoshack (or Stosh as all his friends call him) and his coach, Flip Valentine, who go to the past to see how fast Satchel Paige can pitch and if he was the fastest pitcher ever!

In the previous books, Joe figured out that he can use old baseball cards to travel into the past near where the baseball players are. Then Joe figures out that nobody made Negro League baseball cards. Will he ever figure out if Satchel Paige was the fastest pitcher alive?

This is one of the best books I have ever read! This book is also part of a series.
