## STUDENT BOOK REVIEW

### **Harry Potter and the Half-Blood Prince**

By J. K. Rowling

Published by Arthur A. Levine Books

It is Harry Potter's sixth year at Hogwarts School of Witchcraft and Wizardry. The headmaster, Professor Albus Dumbledore, gives him private lessons to learn to defend himself against Lord Voldemort who is seeking to kill him.

Potions class had never been easy for Harry during his first five years at Hogwarts. This year, however, he gets extremely good help from the mysterious Half-Blood Prince. In the well-worn spell book assigned to Harry are handwritten tips and spells written by the Prince. Some spells however, are not safe for Harry to use.

You will find it hard to put down this book once you start the magical adventure.

*Harry Potter and the Half-Blood Prince* is one of the most intriguing, mysterious books I have ever read - all 652 pages of it!
