Published by Puffin

Won't Know Till I Get There by Walter Dean Myers is a great book! This story takes place in New York City, and the main characters are Steven Perry and Earl Goins. Earl is a thirteen-year old boy that has a criminal record of vandalism and armed robbery! Steven's family decides to adopt Earl. Steven finds Earl's criminal record when the information about him came in the mail. Steve thought that Earl was going to be bad. The two boys go through a train yard to get to a park. They get busted and have to help at a senior center. The boys change the way they think of each other over time. *Won't Know Till I Get There* is a great book.
