KEYSTONE

From C1

"Their No. 1 (Busson) was sensational. When they grabbed the momentum in the last half I thought, 'Uh-oh.' But I'm proud of the way our kids kept plugging away. I was disappointed, though, in our defense. I don't think a team of mine has ever given up more than 50

AVON

From C1

"My O-line was blocking," Horrocks said. "I was thinking, 'Oh, man! I could drive a semi truck through that thing.' I was so happy to see that. I've got to give all the credit to my o-line tonight. I take none of the credit for those touchdowns."

The Eagles jumped out to a three-point lead on a Ryan Galik field goal and quickly built their advantage. On fourth-and-goal from the 11, O'Rourke threaded the pass between two Wellington defenders and hit Krakora in stride for the touchdown. On Avon's next possession, Schroeder threw a pass over the middle which Krakora caught behind a Wellington defensive back. Krakora turned on the afterburners and ran 74 yards for the touchdown. "That's a kid that was our biggest

surprise probably going into this year," said Elder. "He's a really coachable young man who's getting better every single day in practice. He's going to be a special player before he leaves our program." The win, Avon's fifth in the last six years over Wellington, gives the Eagles momentum heading into next week's home game against Admiral King. On the other hand, the Dukes must rebound and prepare for an experienced Edison team. "We have some senior leadership that obviously is rubbing off on some of these young guys and they're starting to understand our expectations on how to prepare each and every week," said Elder. "It was slow going, but we're to the point now where I think we're doing the right

TRAIN SPOTTING: Wildcat Stadium, home of Keystone's football team, is infamous for being right next to a railroad track. Every time a freight thunders by, the stands literally shake from the vibration and noise. Seven trains passed during Friday's game, but referees only had to call one train timeout. The others rumbled past while plays were already started or at halftime, when one freight drowned out the Keystone band.

things. If we continue to do the right things, good things will eventually happen for us."

"In our scrimmages and our first two games, we've been having an awesome running game," said Wellington coach Matt Stoll. "Hopefully, we can keep that up. We've got a lot of improving to do, but we keep working in a positive direction. I think (Edison) has 18 starters back, so it's going to be another very tough football game."

TURNOVERS: The Avon defense intercepted two Bowman passes. The first pass of the game was intercepted by Ralph Smith and led to a field goal. Krakora's interception of Bowman's last pass and a rushing first down allowed Avon to run out the clock.
